

## **REPORT ON ACADEMIC AND ADMINISTRATIVE AUDIT**

The academic and audit report submitted to the University by the external expert was discussed in the department Council held on 24-11-2021. As per the suggestion from the Auditor, the Department has taken actions to rectify various drawbacks as pointed out by the external auditor.

- 1) Regarding the appointment of teachers, major number of vacancies in the department was filled.
- 2) The Department also have taken initiative in filing the patents and to publish more research papers with impact factor.
- 3) Steps has been taken to start consultancy services in the identification of plants as well as any other laboratory analysis.
- 4) The faculties are trying to bring more external funds as projects and trying to transform the Department as the center of excellence.
