The Director
IQAC
University of Calicut.

Dear Sir,

Action Taken Report on External Academic Audit.

The Department Council held on 03/06/2022 discussed in detail the external academic audit report prepared by Prof. Meena T. Pillai. The Council noted with appreciation, the largely positive feedback given by the expert. The Department Council also resolved to implement the suggestions made in the report, viz. conducting more Seminars, launching short –term certificate courses and holding more workshops. Since the audit has pointed to extreme space-crunch faced by the Department, the Department Council resolved to request the authorities to take urgent steps to renovate the existing buildings . The Council also resolved to appeal to the authorities to act on its requests in the past to shift the library to a hall with space and proper ventilation.

Thanking You

Dr. Janaky Sreedharan
