

Report on Academic and Administrative Audit

Dept. of Library and Information Science

University of Calicut

The Academic and audit report submitted to the University by the external expert was discussed in the department council held on 24-11-2021. As per the suggestion from the auditor, the department has taken action to rectify various drawbacks as pointed out by the external auditor.

1. Department has taken initiatives for systematic maintenance of Records for seminars, Workshops, Students Placement and also for Student's feedback.
2. The department also have taken initiatives to publish more research papers with good impact factor.
3. Steps have been taken to start consultancy programs in Library Automation, digitisation and Institutional Repository creation.
4. The faculties are trying to bring more external funds as projects and trying to transfer the department as the centre of excellence.
5. The department plans to start a department journal for highlighting the research and Innovations in Library and Information Science.
