**Agenda: Report on Academic and Administrative Audit**

Decisions:

Council discussed the report on Academic and Administrative Audit in detail. It is resolved to take steps to improve the performance of the department as per the suggestions in the report.

- 1) With reference to item No. I-3 (Syllabus and Curriculum), steps have already been taken to revise the syllabus and to introduce eight new elective courses to be implemented with effect from 2022 Admission onwards.
- 2) With reference to Item No. III – 6 (Project), steps have been taken by the faculty to undertake projects. Applications for granting seed money for initiating projects have been submitted by four faculty members.
- 3) With reference to Item No. V (support staff), one assistant librarian has already been working in the department library

4) With reference to Item No. XII, department has taken steps to invite Schloar as visiting Professor.

Meeting came to a close at 1 PM
