

ACADEMIC & ADMINISTRATIVE AUDIT

2020-2021

Action Taken Report

Introduction

The institution conducted an Academic and Administrative Audit in 2020-2021 covering academic, administrative and student centric activities of the Department. Below mentioned actions were executed for quality enhancement of the Institution

Sl. No.	Suggestions	Action Taken
1.	Encourage faculty to take up funded projects.	The faculty was encouraged to do sponsored projects biased on the research policy created by university as a process of continuous orientation and support.
2.	Introduction of Quality Research projects even at PG level	Introduction of Quality Research projects at PG level. PG students are mentored to take up Quality research projects. Exceptionally good students are mentored to take up small research project.
3	Student competency mapping for student's progression.	The Placement cell has been formed to organize student competency mapping sessions, so as to identify the capability and interest levels of individual students.
4	Collaboration with the university	In collaboration with the university summer coaching camp in most of the sports and games are conducted.
5	Research and book writing to be relooked by the faculty	Faculty orientation and support provided for undertaking more research including book writing.
6	Linking department Research Centre with others	Exploring the possibilities of collaboration with some reputed research institutions / universities.

7	More skill components to be added in the Curriculum	Compulsory skill-based papers incorporated in the Curriculum, still some more will be added.
8	Inter disciplinary research should be conducted	Inter disciplinary research in emerging trust areas such as Psychology, Management, Physiology and Journalism are taken up.

On the basis of the suggestions given by the Academic and Administrative Audit Team.

Conclusion

Thus, required action has been taken on the basis of the suggestions given by the AAA team for quality enhancement of the institution.
