The meeting of the Department Council held on 09.08.2022 at School of Folklore Studies, Head of the Department chaired the session at 3.30 PM.

Agenda:

1. To discuss AAA report 2016-21.

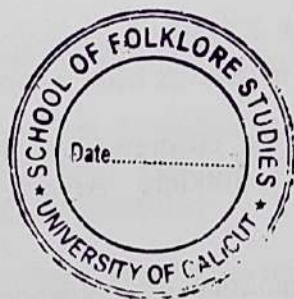

Member Present:

1. Dr. Jisha. C.K.
2. Sri. Sineesh Velikuni.
3. Dr. Vijisha. P

Committee discuss the AAA report in detail and decide to took decision as given below:

1. The department is planning about new courses in future in collaborate with other universities and institutions.
2. We will demand for more seats for PG as per the availability of the teaching staff in future.
3. Even though the syllabus is having contents from some field work components. we will try to add more the same in future.
4. The faculties used to attend the personal development programme workshop and seminars outside the Kerala but need more incentives from the university side.
5. The trust area of the Department is now the Theoretical Folklore, except that the traditional medicine, Folklore Museum, Folklore Archive, Folkloristics and Folklorism are also identified.
6. Department providing maximum research facilities in accordance with the availability of staff strength. It is having good library, Archive and Museum.

7. Folk medicine is an important and main trust area of the department and we are running as Kalari as a practical lab for the same. We have prepared a good herbal garden in related to the paper, folk medicine.
8. We are developing the kalari massage as a consultancy of the department. we have already started it's preparation.
9. Department is trying for collaborative research projects. Because of the lack of professors in the department, we are loosing our chances.
10. Every year we are getting small external funding for seminars and workshops. But for huge funding we need senior faculties.
11. This time University provided seed money for new faculties, who joined recently. The faculty from our department couldn't apply for that, because we are not having newly joined Assistant Professors/Associate Professors/Professors.
12. We are encouraging our students for national and traditional achievements.
13. For the diversity we need to be circulated national vide. Department is planning send a proposal to ICCR and other funding agencies to develop the same.
14. Students are getting e-grant for every year and we are encouraging all students to apply for all available grants.
15. Now we are having a satisfied technical staff. But the department is always facing problems in the continuous transfer of the administrative staff in the department.
16. Seminars and workshops are conducting every year, with scholars from various field, performers and traditional technicians.
17. The modernisation of Archive and museum is under process.
18. Department will include more initiative programmes in future.
19. Department have already started to improve the status of archives and museum in digital mode.
