Dear Ms. Mepadathuparambil Sasi,

This letter is in reference to the interview you had with our national selection committee on November 22, 2021, for the 2022-2023 Fulbright-Kalam Climate Fellowship for Doctoral Research.

I am happy to inform you that your name has been placed on the **principal** panel of scholars recommended for this fellowship. However, your final selection will be subject to approval by the J. William Fulbright Foreign Scholarship Board (FFSB), Washington, D.C., and the availability of funds. We are likely to be informed of the FFSB approval by April 2022.

All formalities connected with the administration of the fellowship and your affiliation in the United States will be the responsibility of our cooperating agency, the Institute of International Education (IIE). You will need to complete some additional paperwork and procedures and take the Test of English as a Foreign Language (TOEFL). My colleague Dr. Sudarsan Dash will be writing to you separately regarding these formalities.

Congratulations and best wishes,
