SUMMARY REPORT OF THE IQAC, UNIVERSITY OF CALICUT

The University of Calicut, established in 1968 gives topmost importance to the quality and accessibility of higher education. Being a University founded in the backward districts in Kerala, the institution has played a significant role in changing the socio-economic life of the people in northern Kerala.

To ensure the quality of education provided to the students and research scholars of various teaching and research departments of the University, the administration provides support to the faculty to attend faculty Development Programmes, Orientation Programmes, Induction Programmes, Refresher Courses, Professional Improvement Programmes, winter schools, faculty training programmes and various short term courses.

The Internal Quality Assurance Cell of the University has undertaken the responsibility of motivating faculty in research and teaching exercises. It is through such initiatives; the University becomes a pioneer higher education and research institution in India.

These courses and training programmes conducted by the TLC and UGC-HRDC are beneficial not only for the faculty members of University and its affiliated colleges, but also to the faculty members of other Universities and Colleges even from outside the state.

The University has conducted Special Refresher Courses as Special Summer and Winter Programmes during the Assessment period. In addition to these, the University of Calicut conducted a special orientation programme for PhD and Post Doctoral scholars.

These programmes were conducted to update the knowledge of faculty members and research scholars to convert the University into a premier institution in the World. The University has implemented Moodle Learning Management System for teaching in the University. It is made compulsory for all teachers. The E learning Centre of the University has conducted different programmes for imparting training to all faculty members to use the Moodle LMS. The Faculty Portal and Students' Portal help the faculty and students to operate the Moodle LMS. The Moodle is appropriated in the University's own server as the Learning Space @ the University of Calicut.

Different faculty development programmes conducted by the University during the Assessment period, 2016-2021 are the following:
